

# AI Code Academy – Terms of Service

**Effective Date:** 6/13/2025

## 1. Terms

By accessing the website at [www.lessonbook.ai](http://www.lessonbook.ai), property of AI Code Academy, you agree to be bound by these Terms of Service, all applicable laws and regulations, and you accept responsibility for compliance with any applicable local laws. If you do not agree with any of these terms, you are prohibited from using or accessing this site. The materials on this website are protected by applicable copyright and trademark law.

## 2. Use License

Permission is granted to temporarily download one copy of the materials (information or software) on AI Code Academy's [www.lessonbook.ai](http://www.lessonbook.ai) website for personal, non-commercial transitory viewing only. This is the grant of a license, not a transfer of title, and under this license you may not:

- Modify or copy the materials;
- Use the materials for any commercial purpose or for any public display (commercial or non-commercial);
- Attempt to decompile or reverse engineer any software contained on AI Code Academy's website;
- Remove any copyright or proprietary notations from the materials;
- Transfer the materials to another person or 'mirror' the materials on any other server.

This license shall automatically terminate if you violate any of these restrictions and may be terminated by AI Code Academy at any time. Upon termination of this license or upon your viewing of the materials, you must destroy any downloaded materials in your possession whether in electronic or printed format.

## 3. Disclaimer

The materials on AI Code Academy's website are provided on an 'as is' basis. AI Code Academy makes no warranties, expressed or implied, and disclaims and negates all other warranties including, without limitation, implied warranties or conditions of merchantability,

fitness for a particular purpose, or non-infringement of intellectual property or other violations of rights.

Further, AI Code Academy does not warrant or make any representations concerning the accuracy, likely results, or reliability of the use of the materials on its website or otherwise relating to such materials or on any sites linked to this site.

#### **4. Limitations**

In no event shall AI Code Academy or its suppliers be liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption) arising out of the use or inability to use the materials on AI Code Academy's website, even if AI Code Academy or an authorized representative has been notified orally or in writing of the possibility of such damage. Because some jurisdictions do not allow limitations on implied warranties or limitations of liability for consequential or incidental damages, these limitations may not apply to you.

#### **5. Accuracy of Materials**

The materials appearing on AI Code Academy's website could include technical, typographical, or photographic errors. AI Code Academy does not warrant that any of the materials on its website are accurate, complete, or current. AI Code Academy may make changes to the materials on its website at any time without notice. However, AI Code Academy does not make any commitment to update the materials.

#### **6. Links**

AI Code Academy has not reviewed all of the sites linked to its website and is not responsible for the contents of any such linked site. The inclusion of any link does not imply endorsement by AI Code Academy of the site. Use of any such linked website is at the user's own risk.

#### **7. Modifications**

AI Code Academy may revise these Terms of Service for its website at any time without notice. By using this website, you agree to be bound by the then-current version of these Terms of Service.

#### **8. Governing Law**

These terms and conditions are governed by and construed in accordance with the laws of the State of Delaware in the United States, and you irrevocably submit to the exclusive jurisdiction of the courts in that State or location.

# Privacy Policy

**Effective Date:** 6/13/2025

Your privacy is important to us. It is AI Code Academy's policy to respect your privacy regarding any information we may collect from you across our website, [www.lessonbook.ai](http://www.lessonbook.ai), and any other sites we own and operate.

We only ask for personal information when we truly need it to deliver a service to you—such as registering a student for a class, processing payments, or providing academic support. We collect this information by fair and lawful means, with your knowledge and consent. We'll also explain why we're collecting it and how it will be used.

We only retain collected information for as long as necessary to provide you with the services you've requested. What data we store, we protect within commercially acceptable standards to prevent loss, theft, unauthorized access, disclosure, copying, use, or modification.

We do not share any personally identifying information publicly or with third parties—except when required to by law, or as necessary to provide services (for example, with our payment processors or instructors).

Our website may contain links to external sites that are not operated by us. Please note that we have no control over the content or practices of these sites and cannot accept responsibility for their privacy policies.

You are always free to refuse our request for personal information, with the understanding that doing so may limit the services we can provide.

Your continued use of our website will be regarded as acceptance of our privacy practices. If you have any questions about how we handle user data and personal information, please contact us at:
